Most importantly
just be
YOU

Ask
lots
of questions!

Anything is
possible with
STEM.

Take chances,
make mistakes,
get messy!

Think
BIG
and then even
BIGGER

Don't ever lose
your sense of

wonder!

YOU

belong in STEM.

Stay
curious.
Keep
learning.

YOU

have the power
to change the world

-just use STEM!

Don't be afraid
to colour outside
the lines.

Failure is not
the opposite
of success,
it is part of
success.

Let the world hear
YOUR VOICE.
You have
important
things to say.
